

Parents and carer's as Partner's

The Pre-school practitioners work with parents in providing quality care and Education for their children. Parents are given the opportunity to actively participate in the Pre-school.

1. Parents are welcome to visit the pre-school. Our Pre-school Tel. No. is 079 587 45649 you are free to contact us anytime or visit our website www.sacredstepspreschool.co.uk.
2. We ensure that parent/carers have the opportunity to join in and play with their children alongside Keypersons.
3. Parents are consulted in respect to the care and Education received as well as any other issues or concerns. We provide opportunities for parents to learn about the Early Years Foundation Stage curriculum and about learning and development by working in partnership, giving and sharing information about your child's interests and needs in consultation with your child's keyperson and further suggestions to follow in the home. Further Information is available on the parent's notice board and posters displayed as well as DfE. Website for information about the Early Years Foundation Stage Framework. www.early-education.org.uk and www.foundationyears.org.uk www.education.gov.uk/publications
4. The Preschool Policies and Procedures will be made available on request as well as on display in the Pre-school entrance Hall.
5. A reflective system to review our practice is in place e.g. Questionnaires, Suggestion book please feel free to make a suggestion.
6. **Please always inform a member of staff, before you leave your child, if :-**
 - You are not able to collect your child yourself.
 - Please advise us who will collect your child, we will not release a child to an unknown person a password will be shared.
7. Please ensure all contact details and emergency contact numbers are current and up to date.
8. **A Preschool privacy notice is given to all parents to comply with the general Data Protection Regulations GDPR (2018) explaining how we use and store information collected from you.**
